June 2002

Dear Basic Health *Applicant or Member* :

Recently you should have received a letter from the Department of Social and Health Services' (DSHS) Medical Assistance Administration saying that medical coverage for you or someone in your family would be ending.

As explained in that letter, some medical programs through DSHS will end on October 1, 2002. These are programs for:

- Undocumented children,
- Some non-U.S. citizen immigrant children and families who have been in the United States less than five years, and
- A few other non-U.S. citizen children and families.

You are receiving this letter because you or someone in your household is a Basic Health member or has applied to join Basic Health. Only those people listed at the top of the enclosed form are eligible to join Basic Health. In order to enroll them, you will need to fill out the enclosed form, sign it, and return it to Basic Health in the envelope provided. At this time you can only enroll those family members listed on the enclosed form. If you are requesting coverage for others in your family, they will be added to a waiting list to join the program.

If you live in one of the following counties, you may be able to receive help with paying the cost of your monthly premium. Please look at the clinics/organizations listed below and let them know that you received this letter with the buff-colored form from Basic Health.

| COUNTY             | ORGANIZATION   | CONTACT                       | PHONE NUMBER | LANGUAGES<br>SPOKEN (OTHER<br>THAN ENGLISH)     |
